III. Appointment of a watcher for the rest house at Rajankunta. Sanctioned at Rs. 5 per month.

IV. Government Proceedings No. 12710-11-104-92, dated 26th January 1894, anent the supply of an Amrut Mahal bull to each Taluk. We have three at present. The experiment does not so far appear to be very successful. No extension is desirable at present.

V. The Executive Engineer's No. 1323-418, dated 30th March 1894, anent the adjustment of the cost of maintaining a portion of Kolar-Sompur road lying within the Bangalore District. We are maintaining 39 miles now. From Dobbe-pet to boundary near Heggadahalli, i. e., from 38.4 to 65.4, from the boundary near Venkata-pur from 24.4 to boundary near Hossur 31.4 and the cross road round the Nundy Hill (3 to 6) come up to 37 miles. Thus we maintain 2 miles more. The Executive Engineer will be requested to enlighten the Board as to how this claim is come to be made.

VI. Correspondence ending with the Executive Engineer's No. 1322-417, dated 30th March 1894, regarding standard plan of first and second class Musafarkhans. The Board does not consider a standard design necessary.

VII. Correspondence ending with the Kolar Deputy Commissioner's No. 3379-1912, dated 27th March 1894, regarding the making of a road from Vadigenhalli to Melur in the Sidlaghatta Taluk. The necessary bridging alone may be carried out.

VIII. Correspondence ending with the Executive Engineer's No. 1344-426, dated 2nd April 1894, anent the lands taken up for the Magadi-Closepet and Magadi-Gudemarnahalli roads. Referred to the Sub-Division Officer. The Board consider that what is now needed is that the assessment should be remitted in the Revenue Department.

IX. Re-appropriation of funds for the Closepet-Magadi road. The Executive Engineer's proposal is sanctioned.

1. Mr. Khader Ali Khan, Amildar of Nagamangala.

Non-Official Members.

1. Mr. Ramanna of Mandya.
2. " Krishnappa of Akkibebbal, Krishnarajpete Taluk.

Read accounts of Receipts and Expenditure for the months of December 1893, January, February, and March 1894. The Receipts for the four months amount to Rs. 29,421-10-9, and the Expenditure to Rs. 11,323-12-11. The accounts are passed. (Appendices A and B).

2. The list of works on which expenditure has been incurred by the Public Works Department was read and recorded. (*Vide* Appendix C).

3. The Amildar of Seringapatam urged that the road from Sivahalli to Melkote should be taken up. The work has been provided for in the Budget for 1893-94, but the estimate is still under preparation. The Executive Engineer will expedite the preparation of the estimate.

4. The list D, hereto appended, shows the works sanctioned to be carried out by the Revenue Officers from the District Funds. The statement was read, and as sanction was received late for many of the works shown therein, it was resolved to complete those works which have already been taken up, by the end of this official year, to give up some works, and to use the funds provided for some of the works for some other more pressing purposes as per remarks in the list.

5. The annexed statement E exhibits works sanctioned out of the grant of Rs. 6,000 from Local Funds General. The progress of these works is described in the column of remarks.

6. Mr. Thomas Inman proposed that the Public Works Department Sub-Division Officers be made members of the District Fund Board, so that the Board may be benefited by their local experience. Dr. Benson had no objection to make to this proposal, although the number of members would be too many. The Amildar of Mandya was also in favor of this proposal. The Amildar of Seringapatam observed that local wants are not known to the Public Works Department Sub-Divisional Officers, and consequently very little benefit would accrue by their being made members of the Board. The President, other Amildars, and the Non-Official Members were against the proposal.

8. Proposed by Dr. Benson that the midwife now at French Rocks be transferred to Seringapatam. Carried.

[*Note.*—A separate midwife having since been appointed to Seringapatam, this resolution was not carried out].

9. Dr. Benson further proposed that there should be two separate Dispensaries, one at Ganjam and the other at Seringapatam. The Hospital Assistant at Ganjam to be a Mahammadan, and the one at Seringapatam a non-Mahammadan. The Amildar seconded the proposal, and it was agreed to by all the members. The Amildar will consult the Municipal Board as to accommodation.

10. There is a vacancy in the Membership of the Seringapatam Taluk. The Amildar has been directed to choose a proper man and recommend him for being enrolled as one of the Members of the Local Fund Board of this Circle. The Amildar will expedite his report.
